

## First & Last Love

lyrics by Gene 'Noizepunk' Pritsker

I should have strength to explain every subtlety  
flooding through me—so much love, words just will not do.  
That's why I rely on sound to help me tell you.  
It's my only friend—I know that music never can let me down.  
Words will fail me when I try to tell you love that's deep inside.  
Music is the only way that I can tell you how I feel.

All I want to say to you is  
All I want to say to you is  
All I want to say to you  
All I want to say to you:  
You're my first and last love .

How can I show intimacy without using speech?  
Music sets us oh-so-free—loves heights we shall reach.  
All I really want to know is Will you be mine?  
I will dedicate my sound to you so music will let love shine.  
I shall show you all I mean—through my sound—you're the best thing in my life.  
Follow me into the night will let the music arrive.
